

Success is a journey driven by passion and guided by vision.

about ACUITY EDGE

Acuity Edge is a management consulting firm dedicated to providing the highest quality of strategic-level service for corporate, university, government, and venture capital clients. Our goal is to become a natural extension of your team.

Acuity Edge gives you: **Flexibility** when you need quick and dependable help for time-critical jobs; **confidence** when you need more information to make crucial decisions; **objectivity** when you need a credible, third-party assessment; **domain knowledge** when you need technical expertise across a broad range of industries; **balance** when you need experts who understand technology, business, and intellectual property; and **creativity** when you need fresh insights to solve problems.

*Bring success into focus,
gain an advantage
— get the Acuity Edge*

a wealth of EXPERIENCE

Selected projects (direct and with alliance partners) have included the following:

- Strategic plan for enhancing innovation across a state (for the Secretary of Technology and the Governor)
- Full service management (strategy, screening, assessment, marketing, licensing) of the invention portfolios for a leading government agency and top-five public research university
- Strategic planning, competitive benchmarking, alumni surveys, focus groups, and educational assessment for enhancing engineering programs at a top-ten private university
- Market intelligence for corporations in areas including advanced materials, imaging software, fuel cells for portable electronics, synthetic diamond, novel cancer therapies, and many others
- Due diligence for venture capitalists screening investments, SBIR reviews for agencies to select funding candidates, judging of over 200 business plans, and guest lecturer for MBA classes and corporate workshops
